March 2017
Chicago Literacy Alliance is thrilled to present Literacenter, North America’s first shared nonprofit workspace devoted to the cause of literacy.

This first-of-its-kind landmark provides literacy organizations in all stages of development with exciting, creative, and affordable space; a full slate of events where members can connect with experts and each other; and an ever-growing network of support and resources to empower collaboration.

100+ member organizations providing literacy services and programs at every level, from early childhood activities and K-12 literary arts all the way through college preparation and adult learning.

16 meeting rooms named after books, equipped with WiFi and A/V equipment, and holding 2-100 people apiece.

41,000 sqft of offices, workspace, social lounges, flex desks, meeting spaces, and conference facilities.

5 Literascooters for getting around the space and meeting fellow collaborators.

20+ programs each month, including expert mentor hours, topic info sessions, book clubs, member meetups, and more.
Literacenter is located in the thriving West Loop, convenient to every kind of transportation and cuisine.

In recent years, the West Loop has acquired a reputation as Chicago’s best neighborhood for eating and drinking, and we know why: no other part of the city is so densely packed with critically acclaimed restaurants and bars.

Described by many as the hottest part of town, our West Loop neighborhood is known for its transportation, food, drink, social venues, and startup spirit.

We’re making it famous for literacy too.
