

CHICAGO LITERACY ALLIANCE BOARD OF DIRECTORS

The Chicago Literacy Alliance (CLA)'s Board of Directors provides strategic leadership to the organization as we work to strengthen Chicago's literacy organizations.

As a board member, you'll contribute guiding insight into organizational strategy and goals, while providing your skills and expertise as an invaluable resource to the CLA. Board members for the CLA play a vital role in governance leadership and strategic fundraising support.

The CLA seeks experienced professionals who have a strong interest in Chicago's literacy and are looking for enriching opportunities in nonprofit board service. Board terms are three years long, and commitments include providing leadership to the organization, participating actively on committees (including finance, development, nominating / governance, and strategic planning and evaluation), and contributing to the financial stability of the organization.
